Exceptional cleaning performance for medium and low cut piles

- Quick release cord clip
- Detachable power cable removal for quick service
- Tools-free brush removal
- Non-marking, tear resistant bumper
- Convenient handle for lifting
- Standard certified H13 HEPA filter

VU500 delivers exceptional cleaning performance in an easy to use, easy to maintain upright vacuum that is designed to withstand stringent environmental requirements.

Automatic, self-adjusting brush height ensures proper cleaning performance and maximum productivity especially when cleaning on the medium and low cut piles.

The heavy-duty upright vac for easy and efficient cleaning

- 64 cm cleaning path
- 2 vacuum motors ensuring a high vacuuming performance
- 1 brush motor
- Built in hose and tube for hard to reach areas

GU700A is an optimal upright solution for daily vacuum cleaning of large carpet areas. This heavy-duty machine makes operations easy and efficient.

The separate motors for the brush and vacuum, provide high performance and durability together with an in depth cleaning of even solid mud and other dirt settings.

Quick, quiet and efficient

The GU series of uprights is designed to clean quickly, quietly and efficiently. With high-grade filtration and a HEPA filter option on all models, these upright vacuums secure a good indoor air quality.

They can be used for offices and hotels as well as in hospitals, nursing homes and elderly-care facilities.

Easy to use, easy to handle, and built to withstand the inevitable knocks of everyday use, the new Nilfisk GU series takes upright vacuuming to a new level of efficiency.

- Flat to the floor design for cleaning under furniture
- Built in extension hose and tube for cleaning hard to reach areas
- Excellent filtration system, HEPA available for all variants
- Adjustable brush height to suit all floor surfaces
- Easy to change dust bag
