High-power high-pressure washer offering long hose and low noise

If you need power out of your washer then look no further than the E 160.1, which packs an impressive 160 bar maximum pressure. This sturdy and easy-to-handle machine is perfect for tackling large cleaning tasks. The flexibility of this washer means you can effectively remove both ingrained, stubborn dirt from harder areas and more subtle stains from soft surfaces. And with the high pressure and 10-metre steel-armed hose combined you'll be able to effectively clean extensive surface areas in next to no time. Features such as the one-hand operated hose reel and telescopic handle take the pressure and strain out of working for long periods and the rubber suspension means you won't be bothered by the noise. Click&Clean connectivity gives you access to a host of Nilfisk accessories designed to further enhance your clean.
